PIONEER HARDWARE MERCHANT MOVES TO VENICE

This week the hardware stock of F. B. McKenney & Son was moved to their new location, 42 and 44 Zepher avenue, Venice.

This move means that Venice gains and Tropico loses. Tropico not only loses a business man but loses a family of civic workers whose place in our affairs will be hard to replace.

F. B. McKenney's name has headed the list of nearly all committees appointed for the betterment of Tropico, after he had convinced himself that such efforts would be successful and in nearly every case he has succeeded.

At all times he put his whole soul into the work and asked nothing in return.

He was instrumental in organizing the old Civic Club, and is an active member of the Tropico Chamber of Commerce at this time.

Mrs. McKenney is a member of the Tropico Thursday Afternoon Club and for several years has been one of the club's hardest workers, ever ready to neglect her own duties that some ideas of the club might be carried out. Nothing was too big for her to undertake.

In their new home in Venice, should they be called upon, we are sure that the same spirit will prevail.

The many friends of the McKenney family in Tropico wish them their best wishes and trust that the distance between the two cities will not stop frequent visits to Tropico—and we go to Venice sometimes ourselves.

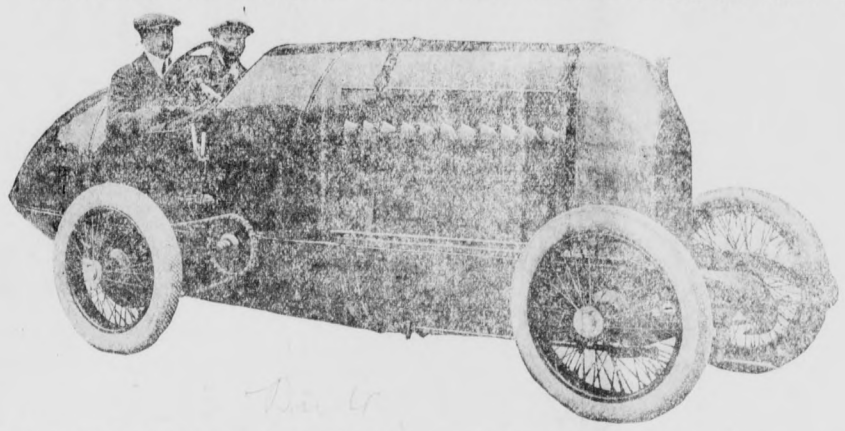
TROPICO BRASS BAND NOW ORGANIZED AND READY FOR WORK

The Tropico Concert Band has come to stay! A permanent organization has been effected and much interest is manifested, not only by the participants, but by the citizens of this city, who, since having assumed the responsibility of an incorporated town, have long felt the need of a real live wide-awake band. The Tropico Concert Band, which holds rehearsals every Friday evening in the City Hall, gives promise of filling a long felt want. Prof. George Isbell of Los Angeles, is the efficient director. Merrill Burke is assistant director, also secretary and treasurer; Robert Danner, manager; George Van Hazelen, librarian; Berna Martin, official tooter; Landon C. Haynes and Dr. O. P. Lucas, first cornets; Merrill Burke and George Hazelen, solo cornets; Arthur McAdams, Francis Bacon, Levitt Goddard and Will Kirkham, Cladinets; Louis Lomberment and Berna Martin, first alto; James Frazer, Morris Burke and William Shein, baritone; Arthur Fryer and Edward Moniot, newman Lamberment, snare drum; O. Emmons Burch, bass drum.

Mrs. Nanno Woods has a number of daffodils and tulip bulbs over and above the hundreds she has already planted. She will be glad to give these to any Tropico residents who will take the trouble to call at the Glendale Garden Society headquarters 1111 West Broadway. Mrs. Ella W. Richardson has also contributed a quantity of canna bulbs which may be secured at the same place by those who wish to make use of them.

The Mothers' Club of the Acacia Street school are planning a bazaar to be given Saturday afternoon, November 20, at the school. The ladies are making a great effort to have the bazaar a success. The proceeds of the affair will be used in buying a musical instrument for the school.

TROPICO'S SECOND ANNUAL AUTO ROAD RACES WILL BE HELD ON THANKSGIVING MORNING OVER SAME FAST COURSE AS LAST YEAR



That there will be twenty-five entries in the free-for-all for the Second Annual Tropico Automobile Road Race is the statement of W. A. Chapman, who will manage the Thanksgiving Day event. Prominent citizens of Tropico already are showing a keen interest in the plans for the race. Preparations are being made to entertain at least 20,000 people.

The Tropico Road Race is the first event of its kind staged for the winter season in Southern California. Already a half-score of well-known drivers have expressed a desire to start. The purse will be twice as large as it was in the race of a year ago. The same course has been selected by the committee in charge and the turns will be banked and given special attention as everything points to fast time in the fifty-mile free-for-all.

The course will be carefully guarded and the police will see to it that spectators are kept off the roads as the cars whirl around at terrific speed. The drivers are to be given an opportunity to practice each morning before the race. The course will be closed for two hours, from 6:00 to 8:00 o'clock, that the men may practice the turns and become familiar with the speedway. The roads will be wired to keep the crowds in bounds, and baled hay will be placed on the more dangerous turns to prevent the possibility of serious accidents.

An event for motorcycles has been arranged. This will be a fourteen-mile race and will be free to any motorcycle rider who is in good standing to the F. A. M. The motorcycles will use the same course as automobiles, but the bike buzzers will be used to open the day's program.

There will be a junior race and several of the small boys are planning to take part. A special purse will be provided for this second event, and many of the well-known juvenile drivers will enter. The distance is ten miles. This will mean five fast laps over the smooth road with an opportunity to watch the boys as they fight for place from the start to the finish line.

Preparations are now being made for a free-for-all event that will be second to none ever held in the Southland. The cars and drivers will be fast and there will be no limitation on piston displacement. The course is not a speedway and anyrecord made will be allowed as the roads are open and the course is not enclosed and cannot be spoken of as a speedway.

The cars will race through the heart of the city of Tropico and there will be plenty of thrills during every minute of the fifty-mile contest.

This race has already become an annual affair and because of the request of automobile drivers and road race enthusiasts it was determined to hold the event this year. The city trustees of Tropico have endorsed the race and will help the road race committee in planning an event that will be in keeping with this community. Already the committee has been assured of the co-operation of the outlying districts, and because so many are planning to attend it has been determined to provide special parking place opposite the grandstand at the starting and finish line.

The Tropico Road Race is being conducted in an effort to provide publicity for this city. Mr. A. J. Van Wie will have charge of all moneys collected and will render a full account of every transaction entered into by this committee. This is not a money-making proposition, but a big boost for our city and if the plans of those in charge are carried out to the letter the name of Tropico will become famous, not only throughout our Southland, but through this entire country.

Mrs. Martha Hanshue, who has had experience in other races will have charge of the program and publicity. She has been elected secretary of the Road Race Committee and will render a complete report of all transactions entered into by the road race governing body.

The citizens of Tropico are urged to co-operate with the Road Race Committee in its efforts to advertise our city. This race will mean much for our community and it will attract many thousands who perhaps will have their first opportunity to see the beauties of our residential section. Everything connected with the race is to be conducted on a high plans and the Thanksgiving Day event this year should go down into automobile history as one of the most thrilling contests ever staged.

ROBINSON BROS. PURCHASE CARROL TRANSFER CO'S. BUSINESS

On Wednesday of last week Claude B. and Hearn H. Robinson purchased the Carroll Transfer and Storage Co. located at 1111½ W. Broadway, Glendale. The Robinson brothers for four years owned the Robinson Bros. Grocery and Market at Brand boulevard and Park avenue. In addition to building up and greatly improving the transfer business which they have just purchased a passenger auto service will be operated in connection with the transfer work—Oakland and Ford cars being used. Mr. Claude Robinson will have the auto passenger service under his direct supervision. They assure their patrons of prompt and efficient service and will operate a daily transfer line to and from Los Angeles. Another feature is the fact that a specialty will be made of parcel delivery as well as the ordinary heavy transfer work.

Peter L. Ferry, contractor, stepped on a spike last Wednesday morning and nearly drove it through his foot. The foot was immediately dressed, but Mr. Ferry will probably need crutches for some time to come.

The first rain of the season struck Tropico last Friday morning and was very welcome by all. Up to date the rainfall was 1.30 inches.

KNIGHTS OF PYTHIAS TO PRODUCE BIG MINSTREL SHOW

Promoters of the big minstrel and vaudeville show to be given by the Tropico Knights of Pythias on Thursday and Friday evenings, December 2 and 3, at the K. P. Hall, claim that this performance will far eclipse any professional production of a like nature ever produced. This is saying a great deal but the way in which the boys have taken hold of the matter shows conclusively that they are not far from right at any rate.

The minstrel first part, with double end men and an introlocator, who is bould to win fame assisted by a chorus of some twelve voices, will open up the show. The Olio or vaudeville part will consist of numbers from the best talent available in Tropico.

The afterpiece is a dark town farce that will be a scream from start to finish.

You can't afford to miss this big show.

Mr. and Mrs. Asbury Wade, 224 W. Tenth street, Tropico, entertained in honor of Mr. Wade's cousin from Indiana, Mrs. Ruth Chanler and Miss Hannah Carr, her friend.

Edwin Virden who recently underwent an operation at the Good Samaritan Hospital, has returned to his home.

POULTRY SHOW PROMOTERS PROMISE TO BREAK RECORD

The second annual poultry show of the Glendale-Tropico Poultry and Pet Stock Association to be held in Glendale, December 9-10-11, is attracting attention among the local fanciers who are interested in the welfare of the association. The management has been especially active in perfecting arrangements, no pains be spared in an effort to make this the best show of the season. The premium list contains a record of premiums consisting of donations which will be mailed to anyone who may desire them. The garage on Broadway near Glendale avenue has been secured and will be put in shape for the big event.

Nine specialty judges will pick the winning birds. There will be no admission charge.

All inquiries should be sent to Walter M. Ross, secretary, 224 West Colorado boulevard, Glendale.

Mr. and Mrs. Samuel Ayers entertained with a very delightful dinner party at their home on North Central avenue last Wednesday when their guests included Mr. and Mrs. Oscar Burch of Missouri and Mr. and Mrs. Earl Burch of New Mexico, who are spending several months in Altadena; Mr. and Mrs. Nelson C. Ayres and N. C. Burch, Rev. and Mrs. Rider.

GLENDALE GARDEN SOCIETY TO HOLD FIRST REGULAR MEETING

The Glendale Garden Society will hold its first public meeting on Thursday evening, November 18, at 8 o'clock at the high school, when a free illustrated stereopticon talk will be given by Mr. George Maxwell. This gentleman devotes his entire abilities toward creating a public sentiment in favor of pretty front yards, productive back yards, attractive vancant lots, and generally establishing an enthusiasm for cities beautiful. Mr. Maxwell lectures every noon at the Los Angeles chamber of commerce. He is a well-known writer and platform speaker, and the Glendale Garden Society is indeed fortunate to have secured his services. Every man, woman and child in Glendale is invited to attend this lecture.

Headquarters of this society are located at 1111 West Broadway, Glendale, where the president, Mrs. Nanno Woods, is at all times ready to answer questions and to welcome visitors. An exchange of seeds, plants, etc., is being formed; Mr. Woods sending to headquarters a number of daffodil bulbs and tulips, while Mrs. Ella Richardson has contributed cannas. Persons desiring to stock their yards with bulbs can do so by applying to Mrs. Nanno Woods. Membership in this Garden Society, which is entering so brilliantly upon its useful career, costs but 25 cents per annum. Every resident of Tropico should become a member.

Copies of a bulletin by Mr. M. V. Hartranft, entitled "The Pleasure and Profit of a Back-Yard Garden," can be obtained free by applying to headquarters of the Glendale Garden Society, 1111 West Broadway.

TROPICO FIRE DEPARTMENT DOES GOOD WORK AT FIRE

At 12:30 Friday morning the alarm of fire brought out the engine and fire boys, and nearly one-half of the population to the building at 117 South San Fernando road, occupied by Frank Funatsu and used as a Japanese general store and hotel. Quick work on the part of the fire boys and citizens the stock was partially removed across the street.

The fire started in the rear of the frame building and sped rapidly. After about an hour the flames were subdued with a loss to the building and contents of over $3,500.

Glendale fire department responded to an emergency call and worked like Trojans with the Tropico boys.

BOARD OF TRUSTEES MEET IN REGULAR WEEKLY SESSION

All members present.

City attorney reported that the matter relative to opening of the east and west roadway of Brand boulevard across the S. P. tracks was heard before Examiner Westover, and that commission for a final decision.

A communication from Mr. Cook, attorney for the Title Guarantee Trust company, bondholders for the Glendale Consolidated Water company, stating that the company would accept $50,000 for the Tropico plant.

An ordinance amending city dog license was read for first time.

Mrs. W. E. Barnett of Kansas City is the house guest of her aunt, Mrs. J. W. Tupper, 420 North San Fernando road.

FORMER MERCHANT OF TROPICO LEAVES FOR FT. WORTH, TEX.

Frank Davis, formerly owner of the Davis Grocery Co., leaves shortly for Fort Worth, Tex., where he has accepted a position with a wholesale firm. Frank Davis has become a fixed factor in Tropico life and it is with a great deal of regret that he is seeking new fields.

In the early days of Tropico's struggle as an incorporated city, he was one who worked the hardest to keep the lines unbroken. He worked for Tropico with no call for renumeration; asked for no reward and got none.

As a civic worker his equal has been hard to find—a booster always for Tropico.

As a business man he won the respect of his customers and held them only as honesty and fair dealing could.

Tropico commends him to his new surroundings with a feeling that while Frank Davis will give his employers every ounce of energy in him he will still have a soft place in his heart for Tropico.

INSTRUCTIVE TALK ON AMERICAN IMMIGRANT BEFORE THURSDAY AFTERNOON CLUB

Beautifully decorated with yellow and white chrysanthemums was the G. A. R. Hall, when the Tropico Thursday Afternoon Club held its regular meeting, November 4, with the members of the Tuesday Afternoon Club of Glendale as guests.

Following a business session, Mrs. Charles A. Barker, president of the club, introduced the speaker of the afternoon, Mrs. R. J. Sterrett, state chairman of education, who spoke on "One Step in the Americanization of the American Immigrant."

She said, in part: "We are very proud of California—the climate, the scenery, the fine roads and the progress made along so many lines, but we are not proud that our state is seventeenth in the illiteracy of the United States, Iowa being first.

"We must be interpretative to the immigrants, and they to us, and it is absolutely necessary that they learn English, for the safety of our country and their own happiness. Most of the vital industries of the United States, the railroads, factories and mines, are manned by foreigners, and we must know how they feel, whether America is first in their hearts.

"Very little is being done in an educational way for these people, except in public evening schools. The Y. M. C. A. has some classes, and the missions and settlements are doing a little. We must, as a state, as a nation, weld our people into an American nation, with the same rights, privileges and interests."

At the close of this most interesting and helpful talk, a motion was made and carried that the president of the club appoint a committee to investigate the illiteracy of Tropico. A musical program followed: Solo, "Torno a Surriento," Mr. Murio David; duet, "Home to Our Mountains," Mrs. E. Leslie Eames and Mr. Murio David; solo, selection from "I Trovatore," Mrs. E. Leslie Eames; solo, "La Donna e Mobile," "Rigoletti," Mr. Murio David. Miss Helene Morgan was the accompanist.

Following adjournment, a social hour was enjoyed and refreshments were served by the hostesses of the afternoon: Mesdames W. L. Mabry, Juanita T. Moe, K. E. Hollingsworth, J. Herbert Smith and C. M. Turck.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Repartee.

Repartee is the promiscuous ricochetting of verbal fireworks. It is a rocket which has been touched off by an igneous remark, and this rocket is very apt to touch off another, which in turn may touch off still another, and so on until all bolts have been shot.

The very best examples of repartee are the thoughts which come to us a few hours or perhaps a few days after we have listened to remarks which seemed to plead like angels, trumpet tongued, for us to rise to the occasion. —Judge.

JOY.

Joy is a prize unbought and is freest, purest in its flow when it comes unsought. No getting into heaven, as a place, will compass it. You must carry it with you, else it is not there. You must have it in you, as the music of a well ordered soul, the fire of a holy purpose, the welling up out of the central depths of eternal springs that hide the waters there.—Horace Bushnell.

Voiceless.

The giraffe, armadillo and porcupine have no vocal chords and are mute. Whales and serpents are also voiceless.

SOPHISTRY wasn't wiped off the map of reasoning over 2,000 years ago, although it certainly deserved to be.

The Sophists in ancient Greece, you remember, taught a false philosophy of life and things, their premises being based on fallacy. They tried to make two plus two equal three.

The Sophists are not all dead. A few thrive today. They argue of newspaper advertising:

"Oh, I never buy anything widely advertised or patronize merchants who make a splash in the newspapers. Their articles are either inferior or more costly because they have to include the cost of advertising."

BOSH!

As a matter of fact, advertising enables you to buy BETTER things at CHEAPER prices. Through advertising the sales are INCREASED ten, twenty, fifty fold. The manufacturer or merchant is thus able to sell BETTER and CHEAPER goods and still pay for his advertising.

This recognized BUSINESS FACT is backed up by the experience of successful business men of this community and by wise home providers who closely watch the ads. in this paper.
